SEOKYEONG UNIVERSITY

Language & Culture
Education Center

1 Korean Language Courses

The Language & Culture Education Center of Seokyeong University is offering Korean Language Classes for international students of Korean undergraduate and graduate programs or for those interested in improving Korean language skills for career.

The Korean Language Curriculum of the Language & Culture Education Center was designed in 2016, to help international students learn Korean language and culture. The teaching staff of Language & Culture Education Center do their best to provide high quality Korean education programs and text books. Students can receive learner-centered education and take advantage of the educational facilities of the state-of-the-arts campus. All of the faculty and staff will be available to help international students to adapt to life in Korea.

1. INTENSIVE TRACK

The Korean language curriculum of the Seokyeong University Language and Culture Education Institute (hereinafter referred to as the Language and Culture Education Institute) is designed for foreigners and Koreans who want to study or work in Korean universities and graduate schools.
